

Controlled Substance  
MAILBACK INCINERATION

# PAC-RX MailBACK™

The most comprehensive and compliant  
DEA Pharmaceutical Wastage disposal program available

## FEATURES

- All-inclusive mail back system that utilizes PAC-RX™, with Power Activated Carbon™
- It's all about incineration!
  - Incineration meets DEA's non-retrievable standard
  - Compliant, secure and documented incineration at a properly licensed facility
  - Although activated carbon does not prevent later extraction of medicine, incineration does
- Disposal reports available online
- Free shipping to and from your facility
- Keep pharmaceuticals out of our waterways
- Fully compliant with all regulatory agencies when used as directed
- Used PAC-RX™ containers are reused or recycled
